

12 DAYS OF Christmas Lettering

HOW IT WORKS:

Life is busy! As much as we might want to letter all day long, that's not possible. So how do we fit in lettering practice? With a daily challenge! These worksheets will guide you through what to practice each day for 12 days. It doesn't have to be 12 days in a row! Spend as long as you want on certain worksheets or skip some altogether. Let's explore different font styles and enjoy Christmas lettering!

SUPPLIES NEEDED:

- Small brush pens like Pentel Touch or Tombow Fude
- Fine tip or bullet tip pen
- Paper (I like HP Premium 32 paper)
- Printer
- Optional: tracing paper

DIGITAL LETTERING IN PROCREATE:

You can either open the PDF file directly in Procreate or open the Procreate file! Each day of the challenge will be on different layers. Simply letter on the layer above the page to practice!

You can use your favorite Procreate brush or use the default. You'll want a brush pen and a monoline pen.
