Objective:

This is a scoot game, which is a fun way to get kids moving and help them to better understand the concept of what good citizenship is and what it is not. This is intended to help give students examples of how they can practice citizenship, and to give them a clear idea of what it means to be a good citizen.

What's Included:

- p. 4: Poster/Visual Aid
- p. 5-9: 30 SCOOT Task Cards
- p. 10: Answer Grid
- p. 11: Answer Key

Directions:

- Cut out each of the 30 question cards, and post them throughout the room.
- Each student will receive a grid, and travel from spot to spot answering the question at their spot and recording it in the corresponding block.
- After about 30 seconds, the teacher will yell "SCOOT!" which means that the kids move on to the next spot.
- This game is intended to be fast-paced to keep kids moving and interested!
- After the kids finish each station, you can review the answers as a large group, or they can turn in their papers so that you can get a better idea of their understanding!
- Use the poster/visual aid as support during the activity, or display it in your classroom/office.
