Activity One:

Theatrical Table:

1. Draw a diagram of the soccer field and post it on a display.
2. Put in the names of each classmate to show that the class worked together as a team all year to work on this project!
3. Decorate it!

Theatrical Table:

1. Create a small drum sound with the drums that you created.
2. Draw a picture of the group working together to create the sound.
3. Create a video of the class!

Theatrical Table:

1. Write a short script of a problem that was resolved during the year by working together to communicate.
2. Post the script and draw the scene as part of the showcase.
3. Enact the scene as a part of the showcase.

Can you all think of more ideas as a class that you would like to showcase to celebrate your accomplishments?

Activity Two:

1. Are you having your showcase in your classroom, cafeteria, or gym? Are you going to zoom your showcase?

2. Are you having your showcase during the school day or another time?

3. Did you send off your invitations?

4. Have you thought about taking a video of your showcase?

5. How about creating a YouTube channel for your showcase

Talk about who is going to introduce your showcase and who is your presenter?

Is there a teacher or a support person in your school who you want to honor or highlight? Is there a maintenance support person or a challenged individual who can be showcased here?

This is a great opportunity to allow others to shine!!

Your next class is the showcase!! Good luck and let us know how it goes!!

Take pictures, have cupcakes, videos and celebrate!!
