

BUKHU LOTAIKA

Pofuna Kungomveketsa bwino: Tikugwiritsa ntchito maina enieni amulengi wathu , YHVH (Yahuwah) m'malo mwa AMBUYE kapena MULUNGU, omwe ndi Maina aulemu osati maina enieni ndipo ndikugwiritsa ntchito Yahusha m'malo mwa Yesu, lomwe ndikumasilira kolakwika kuchokera ku chi Griki ndipo kwenikweni lilibe tanthauzo, M'Chihebri kapena m'Chingelezi!

YHVH (Yahuwah) ndi Yahusha ndi mayina enieni apachiyambi ndi chikhalidwe chawo chenicheni . Timawerenga pa Yohane 8:32 kuti: “Mudzazindikira choonadi, ndipo choonadi chidzakumasulani.”

Mutha kunena kuti, ndikufuna kukhala mfulu, koma funso ndi ndiloti "mfulu ku chiyani?" Omasuka ku chipembedzo , chopangidwa ndi anthu, ziphunzitso ndi malamulo a munthu!

Mfundo yoti timakhulupirira kuti chinazake mchowona sizimapanga icho kukhala chowona.

Choonadi ndi chowonadi kaya tikhulupirira kapena ayi, chowonadi chimayima chokha! Kumbukiraninso kuti: **Choonadi ndi choyambirira, ndipo chomwe sichili choyambirira ndi chabodza!**

Kodi chowonadi chingatayike? Kodi Choonadi Chatayika? Kodi mibadwo yonse ingakhale yolakwa chifukwa yataya choonadi?

Tili mbiri komanso zochitika zambiri mu Israyeli ndi mu Yuda pamene anthu anasiya kukhulupira Elohim(mulungu) wa Abrahamu, Isake ndi Yakobo ndikuyamba kutumikira Milungu (Elohim) Ya mitundu yowazungulira(Mafano).

Iwo anaswa pangano limene Iye anapangana nawo ndipo zotsatira zake zinali mpatuko mwachibadwa popeza anthu analibe Mfundo zowasogolera, analibe malangizo, ndipo aliyense ankachita chimene chinkawoneka ngati mchoyenera pamaso pake. Zimenezi zinkachitika mobwerezabwereza.

Lero tikufuna kuona chitsanzo chimodzi chomwe chinali mu nthawi ya Mfumu Yosiya, yemwe anali mfumu yomaliza ya Yuda, chinthu chabwino chomaliza chimene chinachitikira Aisiraeli ufumu wawo usanawonongedwe.

Yosiya anakhala mfumu ali mwana wazaka zisanu ndi zitatu zokha, ndipo posakhalitsa anayamba kuchita

chidwi ndi YHVH, mosiyana ndi atate wake Mfumu Amoni.

Ali wamng'ono iye anayambitsa masinthidwe ndipo anachitapo kanthu motsutsana ndi kulambira mafano.

Ali ndi zaka 25, Yosiya anaganiza zomanganso kachisi chifukwa cha ukalamba. Pamene ogwira ntchitowo anali kuyeretsa, anapeza buku losadziwika bwino lomwe palibe amene analimvapo, buku loiwalika la mibadwo yam'mbuyo!

Kodi dzina la bukhu loyiwalika kapena lotayika lija linali chiyani?

Linali Buku la chilamulo, Torah lomwe limatchedwanso kuti "chilamulo cha Mose!

Linataika kuti?

Bukhu la chilamulo linatayika pamalo omwe munthu sangayembekezere kuti litayika, mu kachisi momwemo kapena monga tinganene lero, mu mpingo wodzinenera!

Zingatheke bwanji, munthu atha akufunsa?

Timawerenga za izo mu ***2 Mafumu 22 vesi 8*** : ***“Ndipo Hilikiya wansembe wamkulu anati kwa Safani mlembi, Ndapeza buku la chilamulo (Torah) m’nyumba ya Yahuwah...” (Restoration Study Bible)***

Torah idatayika ndi anthu ake omwe mu kachisi wa ku Yerusalemu, ku Yuda chifukwa chosasamala,

kunyalanyaza kapena kusowa chidwi ndipo anthu adalandidwa malangizo ake, kotero adasokera kuchoonadi!

Aliyense anachita zomkomera pamaso pake.

Hilikiya anapeza chinachake chimene chikanasintha kwambiri mtunduwo. Bukuli linali lapadera ndipo mfumuyo inakhudzidwa kwambiri, ndipo inagwidwa ndi chisoni ndi mantha, pamene inamva mawu a m' buku la Torah kuti YAHUWEH anakwiyira Yosiya ndi anthu ake chifukwa cha kusamvera kwawo ndipo anang'amba zovala zake. .

Elohim anakhudzidwa kwambiri m'moyo wake kotero kuti nthawi yomweyo adayamba kusintha zinthu zauzimu monga Yuda anali asanawonepo.

Mafano ndi malo olambirira onyenga anachotsedwa mu Kachisi yemweyo ndi kuzungulira Yerusalemu ndi Yuda. Ndiponso, tikuuzidwa kuti Aisrayeli anachita Paskha m'njira imene sinawonedwepo chiyambire m'masiku a Oweruza, amene analipo zaka mazana angapo m'mbuyomo.

Ponena za Yosiya, YAHUWEH ananena kuti: “Pamaso pake panalibe mfumu yonga iye imene inatembenukira kwa YAHUWEH ndi mtima wake wonse, ndi moyo wake wonse, ndi mphamvu zake zonse, mogwirizana ndi Chilamulo chonse cha Mose; .”

2. Mafumu 22 ndi 23 Chitsitsimutsocho chinali chodabwitsa. Koma Yosiya atangomwalira, anthuwo anabwerera ku njira zawo zoipa, ndipo ana ake asanafike msinkhu wapakati, chiweruzo cha Yahuwah cha zaka mazana ambiri cha machitidwe oipa chinafika, ndipo Yuda analibenso.

Funso loti tinfunse, kodi m’badwo walero wataya kapena kuti waiwala Bukhu la chilamulo Torah lomwe limatchedwanso chilamulo cha Mose?

Popanda malangizo amenewa otchedwa TORAH amene anaperekedwa ndi mulengi kudzera mwa Mose munthu akuyenda mu mdima mukuunika kwa iwo eni.

Zotsatila zakuyenda opanda malangizo amenewa operekedwa ndi Mulengi ndi kuyenda mumdima komanso umbuli.

Ndipo ndi zomwe tili nazo. Pali mipingo ndi magulu oposa 41,000, onse akudzinenera kuti ali ndi choonadi, koma kwenikweni ali ndi chisokonezo ndipo amaphunzitsa zabodza! Monga momwe limanenera baibulo pa *Yeremiya 16:19* : ***“Makolo athu nalandira choloŵa cha bodza, zachabechabe, ndi zinthu zopanda phindu.***

Ndipo makolo apereka mabodza amenewa kwa ana awo! Kodi chingakhale chifukwa cha chiwembu monga momwe tikuŵerengera pa Yeremiya 11:9-10 ?

Nawa mawu a pa *Yeremiya 11:9-10* : “**Ndipo YAHUWEH anati kwa ine, Chiwembu chapezeka mwa anthu a Yuda, ndi mwa okhala m’Yerusalemu. 10 Abwerera ku mphulupulu za makolo ao, amene anakana kumva mau anga; ndipo anatsata Elohim ena kuwatumikira; nyumba ya Isiraeli ndi nyumba ya Yuda aphwanya pangano limene ndinapangana ndi makolo awo.**

Kodi ndani amene anali kumbuyo kwa chiwembu chotero chosonkhezera amuna a Yuda kuphwanya chilamulo a Yahweh ?

Anali Satana mwiniyo! Monga tikudziwira, kuti nkondo imeneyi idayamba kalekale, Kumwamba!

M’Baibulo pa *Chivumbulutso 12:7-9 Limati* : “**Ndipo munali nkondo m’mwamba; Mikayeli ndi angelo ake anachita nkondo ndi chinjoka; ndipo chinjokacho chinachita nkondo ndi angelo ake.**

8. Ndipo sadapambana; kapena malo awo sanapezedwanso kumwamba.

9. Ndipo chinaponyedwa panso chinjoka chachikulu, njoka yakale ija, iye wotchedwa Mdyerekezi ndi Satana, wonyenga mawu onse; anaponyedwa kudziko lapansi, ndi angelo ake anaponyedwa naye pamodzi.”

Ndipo umo ndi momwe zinayambira ndipo angelo oipawa ali kumbuyo kwa chinyengo ndi mabodza omwe tikuchita nawo m'dziko lamakono.

N'chifukwa chake Paulo akuti pa *Aefeso 6:12* kuti: *“Chifukwa kuti kulimbana kwathu sitilimbana ndi mwazi ndi thupi, koma ndi maukulu, ndi maulamuliro, ndi olamulira a mdima wa dziko lapansi, ndi auzimu oipa m'malo akumwamba.*

Tsono funso loti: *Kodi chilamulo cha Mose (Torah) chatayika ndikuiwalika?*

Tikufuna kufunsa funso lakuti: *“N'chiyani chinachitikira Chilamulo cha Mose!” Kodi mawu akuti “Chilamulo cha Mose” akutanthauza chiyani?*

Nayi vesi la pa Deuteronomo 31:26 : *“Tengani buku ili la chilamulo (#8451 – Torah) ndi kuliika m'mbali mwa likasa la pangano la YHVH Elohim wanu”*

Mfundo ina yofunika kuiganizira n'njakuti atsogoleri a Isiraeli anafunika kugwiritsa ntchito malangizo olembedwa kuti azisankha zochita tsiku ndi tsiku mogwirizana ndi zimene anauzidwa komanso kuti aziwerenga m'bukuli chaka chachisanu ndi chiwiri chilichonse kwa mpingo wonse.

Iwo anafunikira kukhala ndi makope oposa limodzi osungidwa kwinakwake, komabe, Baibulo silimanena choncho.

Ngati munali kope limodzi lokha losungidwa m'Malo Opatulikitsa, likadapezeka kokha pa Tsiku la Chitetezo, koma osati mkati mwa chaka chonse.

(Mkulu wa ansembe ankayenera kulitulutsa ndi kulibwezeretsa, pa tsiku limodzi lokha la chaka, chimene sichingachitike tsiku ndi tsiku).

The Midrash (iyi ndi ndemanga ya Baibulo lachihebri: gulu la mabuku achirabi opangidwa ndi ndemanga ndi kumveketsa bwino malemba a m'Baibulo, amene poyamba analembedwa chisanafike 500 AD) limatiuza kuti: Mose asanamwalire analemba Mipukutu 13 ya Torah.

Khumi ndi ziwiri mwa izi zinaperekedwa kwa aliyense wa mafuko 12.

La 13 linaikidwa mu Likasa la Chipangano (ndi Mapale). Ngati wina abwera kudzayesa kulembanso Torah kapena kunamizira, amene anali m'Likasalo “ankachitira umboni” motsutsana naye.

(Mofananamo, ngati iye anali ndi mwayi wopeza mpukutu wa Likasa ndi kuyesa kunamiza, makope amene anagaWiridwawo ‘akanachitira umboni’ motsutsana naye.)

Kodi mipukutu yatsopanoyo inatsimikiziridwa bwanji?

“Mawu otsimikizira” odalirika nthawi zonse anali kusungidwa m’Kachisi Wopatulika ku Yerusalemu, kumene mipukutu ina yonse inali kuwerengeredwa. Pambuyo pa kuwonongedwa kwa Kachisi Wachiwiri mu 70 CE, Anzeru nthawi ndi nthawi ankafufuza padziko lonse kuti athetse zolakwika zilizonse za alembi.

Ngati izi ndi zolondola, sitikudziwa, sitingatsimikizire, komabe, ndizomveka kuti fuko lililonse linali ndi buku lawo la Torah ndikuti bukhu loyambirira limasungidwa m’kachisi!

Kulikonse kumene bukhu la chilamulo limeneli linaikidwa, chinthu chimodzi nchotsimikizirika, sinali locheperapo la lamulo la YHVH.

Kusiyanitsa kumene mipingo ndi zipembedzo zambiri zimapanga pa malamulo ena amene Mose analemba, opanda tsankho ndipo sagwirizana ndi Malemba.

Kukunenedwa kuti popeza kuti malamulo a chikhalidwe Abwino sanakhomeredwe pamtanda, chifukwa analembedwa pamwala ndi Mlengi mwiniyo, chotero ndiwo malamulo amwambo, chirichonse cholembedwa m’bukhu ndi Mose chimene chinakhomeredwa pamtanda. Ngati izo zikanakhala zoona kuposa malamulo a zathanzi, malangizo okhudza kupereka chachikhumi ndi zina zotero akadakhomeredwanso pa mtanda.

Anthu akuyesera kuteteza Sabata la tsiku lachisanu ndi chiwiri (lomwe ndi gawo la Malamulo 10) kuti lisachotsedwe.

Mwa kuyankhula kwina: Lamulo la Makhalidwe Olembedwa Miyala - ndi lokhazikika komanso lamuyaya .Lamulo la Mwambo lolembedwa pa Pepala - ndi losakhalitsa.

Choyamba tiyeni tifotokoze mfundo imodzi momveka bwino, mawu oti “makhalidwe abwino” kapena mawu oti “mwambo” sapezeka m'Malemba.

M'Baibulo mulibe malo pamene pali zigawo ziŵiri zazikulu za Chilamulo. Mawu awa (zamwambo ndi makhalidwe) anapangidwa ndi munthu. Baibulo limafotokoza Torah (Chilamulo) kukhala yogawidwa kukhala:

1. Malamulo,

2. Malemba,

3. Maweruzo,

koma mopanda chikhalidwe kapena mwambo.

Mawu oti "makhalidwe" ndi "mwambo" pokhudzana ndi Torah (chilamulo) adapangidwadi ndi munthu!

Kafukufuku akuonetsera kuti mawu oti malamulo a mwambo komanso chikhalidwe nachokera kwa mkulu wina wa chikatolika wotchedwa ***Thomas Aquinas;***

mukhoza kupeza izi pa samba la intanet ili:

Popeza kuti liwu lakuti “chilamulo cha mwambo” mulibe m’Baibulo lingakhale losocheretsa komanso losasokoneza ngati tichotsa liwu limeneli m’mawu athu! Pogwiritsa ntchito mawu akuti "mwambo" tikuwonjezera malemba! Tiyenera kugwiritsa ntchito mawu akuti: “Malamulo a guwa la nsembe” monga momwe analembedwera pa Ezekeili 43:18

. Tiyeni tikambirane za **Chilamulo cha Mose!** Kodi anthu amatanthauza chiyani pamenepa?

Nthawi zambiri sakutanthauza magome 2 amiyala koma buku la chilamulo!

Tikudziwa kuti magome awiri a miyala ya safiro analembedwa ndi chala cha Elohim ndipo zikuwoneka kuti palibe chisokonezo ndi gawo limenelo. Koma bwanji ponena za buku la Chilamulo, limene Mose analemba, limene limayambitsa chisokonezo?

YHVH atalankhula Malamulo 10 aja, anthu anachita mantha ndipo anauza Mose pa Eks 20:19 kuti:

“Lankhula nawo, ndipo tidzamva: koma Elohim (Elohim) asalankhule nafe kuti tingafe.”

Onani kuti YHVH anafuna kulankhula, osati mawu a Malamulo Khumi okha kwa anthu, komanso mawu onse

a Malamulo ndi Ziweruzo. Koma anthuwo sanalole kuti YHVH apitirize kulankhula nawo ndipo anachonderera Mose kuti akwere m'phirimo. Izi zikuwonetsedwanso mu Deuteronomo 5: 23-27, tiyeni tiwone:

Deuteronomo 5:23-27 “Ndipo kunali pamene ananva liwu lotuluka pakati pa mdima, potentha Phiri ndi moto, munayandikiza kwa ine , ndiwo akulu onse a mafuko anu, ndi akulu anu;

24 Ndipo munati, taonani, Yahuweh Mulungu wathu wationetsa ulemerero wake ndi ukulu wake, ndipo tamva mawu ake kuchokera pakati pa moto; taona lero kuti Elohim alankhula ndi munthu, ndipo akhala ndi moyo.

. 25 Ndipo tsono tiferanji? Popeza moto waukulu uwu uzatitha tikonjeza kunva mwau Yahweh mulungu wathu tiazafa.

26. Kodi ndani mwa anthu onse amene anamva mawu a Mulungu wamoyo akulankhula kuchokera pakati pa moto, monga mmene ife tinachitira ndi kukhala ndi moyo?

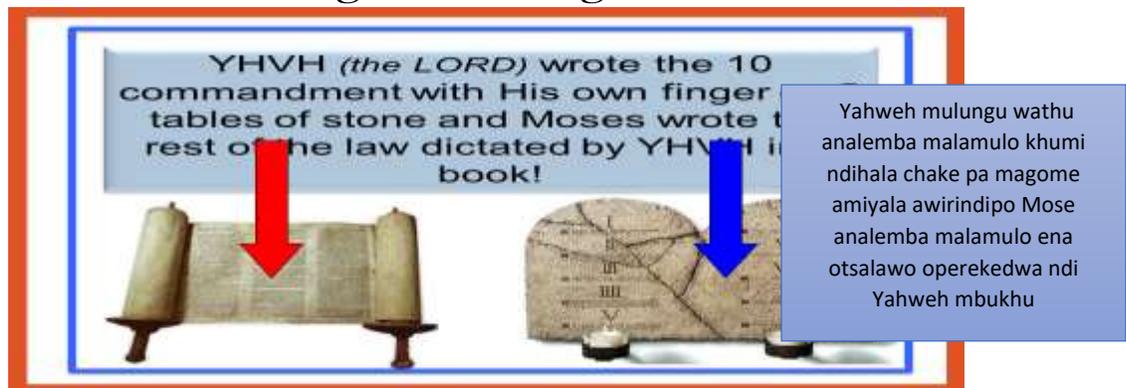

27:Yandikizani inu; ndikumva zonse Yahweh mulungu wathu azati. Ndipo inu Munene ndi ife zonse zimene mulungu wathu azanena ndi inu; dipo ife tinzanva ndikuchita .

TIKUONA KODI?

Aisrayeli anachita mantha kumveranso mawu a YHVH!
Iwo ankadera nkhawa moyo wawo!

Amaopa kuti adzafa! Ndiyeno tili ndi vesi 2 , pamene anthu anafunsa Mose kuti: “Yandikira Iye, numve zonse zimene YHVH Elohim wathu adzanena; ndipo tidzamva, ndi kuchita. “ Malinga ndi vesi 21 la Eksodo 20 “***Mose anayandikira ku mdima wandiweyani kumene kunali Elohim.***”

Pamenepo YAHUWEH analankhula ndi Mose, nampatsa Malemba onse kuti awapereke kwa anthu, nawalembe m’buku. Malamulowa alembedwa mu Eksodo 21, 22 ndi 23 ndipo panganolo linatsimikiziridwa mu chaputala 24. Chinthu chokha choyenera kuganizira, maphwando oikidwa chaka ndi chaka alembedwa mu vesi 18, 21-23 ya mutu 23 ndipo ndi a Pangano la Sinai lisanafike. kulambira mwana wa ng’ombe wa golidi! Deuteronomo

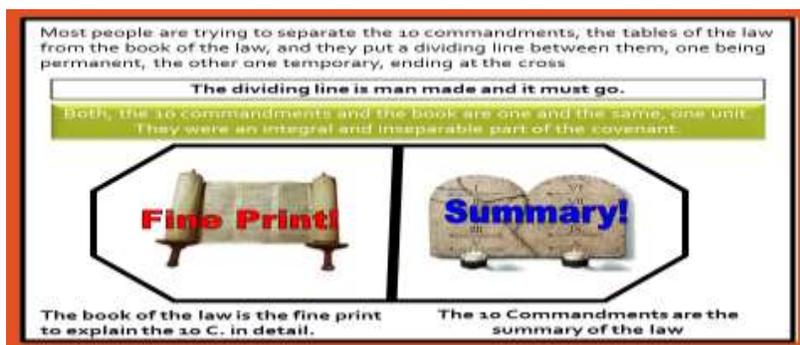

5:23-27

Chotero mawu 10 olembedwa pa magome amiyala ndi bukhu lolembedwa ndi Mose anachokera kwa Mlengi. Kodi zitha kumveka bwino?

Zilibe zomveka kunena kuti Malamulo 10, chifukwa analembedwa ndi chala cha Elohim ndipo anaikidwa mkati mwa Likasa la Chipangano kuti izi zikutsimikizira kuti ziyenera kukhala ndi tanthauzo lalikulu kuposa malamulo ndi ziweruzo, zomwe zinalembedwa ndi YHVH.

Nalembe m'buku, naikidwa m'mbali mwa likasa. Malamulo ndi ziweruzo zinali zofunikanso monga malamulo 10 monga awa anaperekedwa momveka bwino kuti afotokoze Malamulo Khumi mwatsatanetsatane ndipo amamanga pa anthu mu m'badwo uliwonse malinga ndi nthawi. YHVH ndiye mlembi wa Ziwiri zOnse .

Eksodo 34:27-28 amati: “Ndipo YAHUWEH anati kwa Mose, Lemba mawu awa; pakuti monga mwa mawu awa ndapangana ndi iwe ndi Israyeli. Ndipo anakhala kumeneko ndi YHVH masiku makumi anai usana ndi usiku; Ndipo analembe pa Magomewo Mawu a Chipangano, Malamulo Khumi.”

Izi timazitcha Magome a Pangano Baibulo limatchulanso buku la Pangano pa Ekisodo 24:7 “Ndipo

anatenga Bukhu la Chipangano, nawerenga m'makutu a anthu; ” Bukhu la Pangano! Ndiyeno mu 2 Mafumu 23:2 amati:

Ndipo mfumu inakwera kumka ku nyumba ya YHVH, ndi amuna onse a Yuda, ndi onse okhala mu Yerusalemu pamodzi naye, ndi ansembe, ndi aneneri, ndi anthu onse. , ang'ono ndi aakulu, naŵerenga m'makutu mwawo mawu onse a m'Buku la Chipangano, lopezedwa m'nyumba ya YHVH.”

Yesaya 30:8 akuvumbulutsa momveka bwino Chizoloŵezi cha Chipangano Chakale kuti zimene zinalembedwa pa Magome a Chipangano, zinalembedwanso m'Buku la Chipangano.

Nati: “Tsopano pita, ukalembe mauwa pamaso pawo pa Gome, nuwalembelembe m'buku, kuti akakhalebe ku nthawi yatsogolo, mboni ya masiku onse .”

Tikuona pano kuti “mawu a chipangano,” (ngakhale olembedwa mwachidule pamwala, kapena olembedwa mwatsatanetsatane m'buku) alembedwa m'malo awiri, pa Matebulo ndi m'Buku! Kubwerera ku miyambo ya Chipangano Chakale,

Tiyene tione tsopano pa Nehemiya 9:13-14
“Munatsikiranso paphiri la Sinai, ndi kunena nawo kuchokera Kumwamba, ndi kuwapatsa maweruzo olungama, ndi malamulo owona, malemba okoma ndi malamulo. 14 Ndipo munawazindikiritsa Sabata lanu

lopatulika, ndi kuwalamulira malangizo, ndi malemba, ndi malamulo mwa dzanja la Mose mtumiki wanu.

Kodi tingazindikire kuti zimene zinalankhulidwa ndi Mesiya pa Phiri la Sinai ndi zimene zinalembedwa ndi dzanja la Mose n'zofanana,?

N'zofanana, sitingathe kulekanitsa Gome la Chipangano ndi buku la pangano, chifukwa wolembe onse awiri ndi YHVH

. Wina analankhulidwa ndi YHVH mwachindunji kwa anthu ndipo wina anauzira Mose ndi YHVH. Ayuda anagawa Chilamulo (Torah) m'magulu atatu akuluakulu:

1. Malamulo (mitzvot)
2. Malemba(chokim kapena chuqqim)
3. Maweruzo (mishpatim)

Deuteronomo 5:31: “Koma iwe, imani pano pafupi ndi ine, ndipo ndidzakuuzani malamulo onse (#H4687 – mitsvot),

(iwo) m'dziko limene mukupitako kulitenga.

Deuteronomo 7:11: “Chotero muzisunga malamulo (#H4687 – mitsvot), ndi malemba (#H2706 – chuqqim), ndi maweruzo (#4941 – mishpatim), amene ndikukulamulani lero kuwachita.” Deuteronomo 11:1: “Chotero muzikonda YHVH Elohim wanu, ndi kusunga malamulo Ake, ndi malemba Ake (#H2706 – chuqqim), ndi maweruzo Ake (#4941 – mishpatim), ndi malamulo Ake (#H4687 – mitsvot), nthawi zonse. .”

Ayuda adagawanso Malamulo Khumi m'magulu atatu awa (malamulo, malemba ndi maweruzo) Choyamba, Malamulo 10 amagawidwa ndi malamulo asanu oyambirira omwe ali ndi Dzina Lopatulika YHVH, ndipo asanu achiwiri alibe Dzina Lopatulika.nazindikira mwachidule m'mawu awa, kuti, Uzikonda mnzako monga udzikonda iwe mwini.”

Onani, kuti Paulo sanaphatikizepo Lamulo lachisanu. Iye amaphunzitsa kuti ndi malamulo asanu omalizira amene amamvetsetsedwa ndi mawu akuti, “Uzikonda mnzako monga udzikonda iwe mwini.”

Zimenezo zinali zatsopano kwa ine pamene ndinaphunzitsidwa njira ina. Lamulo la 1 ndi 2 limamvetsetsedwa ndi Ayuda kukhala Malamulo, kunena zoon.

Lamulo la 3, la 4 ndi la 5 limazindikiridwa ndi Ayuda kukhala Malamulo. Malamulo asanu otsiriza amamveka ngati Chiweruzo. Amalongosola mmene tiyenera kuchitirana zinthu.

Nokuba kuti milawo iili 10, milawo eeyo naa milawu ya Yahuwah, IYE naakali kuyiita mulugwalo lwa Malaki 4:4 kuti “mulao wa Mozesi,” ooyo ngwaakumulailila. Baibulo limanenanso pa Eksodo 33:11a kuti:

“Ndipo YAHUWEH ananena ndi Mose maso ndi maso, monga munthu amalankhula ndi bwenzi lake. Pa Numeri chaputala 12, Miriamu ndi Aroni anang’ung’udza motsutsana ndi Mose kuti:

“Kodi YAHUWEH walankhula ndi Mose yekha? Sanalankhulanso mwa ife kodi? Ndipo YHVH anamva.”

Miriamu ndi Aroni, mwa kung’ung’udza kwawo, anali ndi liwongo la kusakhulupirika, osati kokhaMtsogoleri wawo wosankhidwa, koma kwa Elohim Mwiniwake.”

Kodi YHVH anawadzudzula bwanji mu vesi 7-8:
“Mtumiki wanga Mose, amene ali wokhulupirika m’nyumba yanga yonse, ndidzalankhula naye pakamwa ndi pakamwa, . . . Numeri 12:7-8 Polankhula motsutsana ndi Mose, Miriamu ndi Aroni anali kulankhula kapena kung’ung’udza motsutsana ndi YHVH mwiniyo.

Kumbukirani, Mose anali chida chokha! Funso:

Ngati YHVH ankatanthauzadi zimenezo, pamene anauza Mose kuti akufuna kuti anthu ‘azikukhulupirirani mpaka

kalekale,' ndiponso ngati YHVH anakwiyira Miriamu chifukwa cholankhula zoipa zokhudza Mose, n'chifukwa chiyani AMESIYA masiku ano saona kuti n'zopanda pake kutsutsana ndi Mose ndi Mose? lamulo?

Palibe mneneri wina aliyense amene angadzitamande ngati Mose. Iye anali ndi chisonkhezere chapamwamba kwambiri ndipo chokumana nacho chake chinali chosayerekezeka ndi wolembe wina aliyense m'mbiri ya anthu.

N'chifukwa chake Mesiya ananena momveka bwino kuti sanabwere kudzathetsa ziphunzitso za Mose malinga ndi Mateyu 5:17-19! Mulawo wa Musa ndi Mulawo ookwa Yahuwah! Ichi ndichifukwa chake mneneri kapena mneneri wamkazi aliyense mu chipembedzo chilichonse ayenera kutanthauzira ndikumvetsetsa komanso kumvera ulamuliro wa Mose osati mwanjira ina.

Nthawi zonse pakakhala kusemphana maganizo kapena kusemphana maganizo pakati pa mneneri wina aliyense ndi chilamulo cha Mose, Mose amakhala wopambana. Anthu ena akhoza kukhala ndi vuto ndi izo, koma ndi momwe ziyenera kusamaliridwa. Mneneri aliyense ayenera kumasuliridwa ndikumveka motsatira ulamuliro wa Torah.

Baibulo limanena pa Deuteronomo 34:10 kuti: “Ndipo m'Israyeli simunauka mneneri ngati Mose, amene

YAHUWEH anamdziŵa pamaso ndi maso. Tiyeni tifunse funso lakuti:

“Kodi Mose Ndi Wofunikanso Masiku Ano?”

M’fanizo la munthu wachuma ndi Lazaro, Abrahamu anauza munthu wachumayo pa Luka 16:31 kuti: “Ngati samvera Mose ndi aneneri, sadzakopeka mtima, ngakhale wina akauka kwa akufa. KJV Asanakwere kumwamba, Mesiya anauza ophunzira ake pa Luka 24:44 kuti:

“Ziyenera kukwaniritsidwa zonse zolembedwa za ine m’chilamulo cha Mose, ndi mwa aneneri, ndi m’masalimo. Filipo anapeza Natanayeli, nati kwa iye, Tampeza, amene Mose m’chilamulo (#3551 Nomos – Torah), ndi aneneri, adalemba za iye, Yahusha waku Nazarete, mwana wa Yosefe.

Yohane 1:45 Kodi Stefano ananena chiyani za Mose pa Machitidwe 7:38-39? “Uyu ndiye (Mose) amene anali mu mpingo m’chipululu pamodzi ndi mngelo amene analankhula naye m’phiri la Sinai, ndi makolo athu: amene analandira mawu amoyo kuti atipatse ife; koma anamukana, nabwerera m’mtima mwao ku Aigupto.

Kodi Paulo ananena chiyani za Mose pa Machitidwe 28:23? “Ndipo pamene anamuikira tsiku, anadza kwa iye ambiri m’nyumba (yake) yogona: amene anawafotokozera ndi kuchitira umboni ufumu wa Yahuwah (Elohim), kuwakopa ponena za Yahuwa, onse kuchokera

Chifukwa chiyani?

Kuti azisunga!. Tiyenera kufunsa funso ili: N'chifukwa chiyani Chikhristu chonse chikuyesetsa kukhomerera “Chilamulo cha Mose”, buku la Torah pa mtanda?

Kumbukirani kuti Satana amadana ndi malamulo, malemba ndi maweruzo amene YHWH anapereka kwa Mose zomwe ndi Sabata la pa mlungu ndi mlungu ndi masaba a pa chaka, chifukwa chakuti ameneŵa ndi a

Mlengi ndipo analinganizidwa kuyeretsa anthu Ake. Pamene tikondadi Mpulumutsi wathu, tidzamvera mokondwera malamulo Ake onse, malemba ndi maweruzo ake! Sitidzasankha ndi kusankha!

Lemba la Deuteronomo 30:16 limati: “Ndikukulamulani lero kuti muzikonda YAHUWAH Mulungu wanu, kuyenda m’njira zake, kusunga malamulo ake, malemba ake, ndi maweruzo ake, kuti mukhale ndi moyo ndi kuchulukana, ndipo YAHUWAH Mulungu wanu adzakudalitsani dziko limene mukupitako kulitenga kukhala lanu.” (Kubwezeretsa Phunziro la Baibulo)

YHVH amakonda kutidalitsa, koma sangachite, ngati tipanduka ndi kukana kuyenda m’njira ya kumvera! Pakuti Iye akuti mu 1 Mafumu 2:3 “Ndipo sunga uphungu wa Yahuwah Elohimu wanu, kuyenda m’njira zake, kusunga malemba ake, ndi malamulo ake, ndi maweruzo ake, ndi mboni zake, monga mwalembedwa m’Chilamulo cha Mose, kuti zinthu zanu zonse ziyende bwino, ndiponso kulikonse kumene mukupita.

Kumbali ina tili ndi matemberero olembedwa pa Deuteronomo 28:15-16 : “Koma kudzali, mukapanda kunvera mau a Yahuwa mulungu wanu, kusamalira kuchita malamulo ake amene ndikuuzani lero, kuti matemberero awa onse adzakugwerani ndi kukupezani

16.mudzakhala otembereredwa m’ mudzi, ndi otembereredwa pa bwalo.

“Pamenepo YAHUWAH anati kwa ana a Israyeli mwa Mose, Ndidzavumbitsira inu mkate wochokera kumwamba; ndipo anthu azituruka ndi kuola mtengo wake tsiku ndi tsiku, kuti ndiwayese, ngati ayenda m’chilamulo changa, kapena iai” Eksodo 16:4

Ngakhale ana a israel anapatsidwa lamulo lapaderali la Elohim, ena anaturuka kukatola mana tsiku lacisanu ndi ciwiri(Sabata), koma sanawapeza;

Anthu ali ndi chizoloŵezi chauchimo cholingalira choipa kukhala chabwino. Ana a Israyeli, makamaka khamu losanganikirana, anali ndi mtima wopanduka kosalekeza, ndipo ndi ntchito zawo, anampangitsa YHVH kuti awawononge. Zinachitika mobwerezabwereza.

Pa Eksodo 32:9 timaŵerenga kuti: “Ndipo YAHUWAH anati kwa Mose, Ndawaona anthu awa, taonani, ndiwo anthu owuma khosi.

Uthenga womwewu wa anthu opanduka amene anakana kumvera Chilamulo cha Mose unapatsidwa kwa Hoseya mu Hoseya 8:12“Ndamulemba zinthu zazikulu za chilamulo changa, koma zinayesedwa ngati chinthu chachilendo. KJV

“Ngakhale ndinawapatsa malamulo anga onse (Torah) amachita ngati kuti malamulowo sakuwakhudza.”

“Ndamulemba zinthu zazikulu za chilamulo changa,
koma zinayesedwa ngati chinthu chachilendo. KJV

“Ndawalemba zinthu zambiri m’chiphunzitsa changa,
koma iwo amaziyesa zachilendo ndi zachilendo.”
