

Just for clarification: In my presentations I am using YHVH (Yahuwah) instead of LORD, which is a title and not a name and I am using Yahusha instead of Jesus, which is not a translation but a transliteration and really has no meaning, neither in Hebrew nor in English! YHVH (Yahuwah) and Yahusha are the actual original names and the true nature and character of them.

This presentation is entitled:

Studying the mark of the beast is **a very sensitive topic** as we must be specific and also name names! This is not popular and truth has never been and never will be popular. Those who receive this mark **will face eternal damnation**, therefore it is of utmost importance to talk about it. Above all we must ask the Elohim of Abraham, Isaac and Jacob to give us wisdom and also the ability to present this topic in His Spirit without the attitude of judging character but with the goal to help people to see this truth and to avoid receiving this mark. The fact or the truth is that millions of people have been and are being deceived by the enemy of souls especially in this matter. **This truly is present truth and should be taken very, very seriously as we will see!**

We are commanded in Scripture „to examine, to test, to prove everything“ (1. Thessalonians 5:21)! Don't take my word, check it out for yourself! That is my desire!

Many believers of all denominations, churches and sects agree that we live in the last days of human history what the Christian Bible talks about. The signs of the times are foretelling the soon appearing of the Messiah. What do we see today? The world is in uproar, nations are at war with each other. America is at war and has been for a while. Shootings in our schools. Disasters in the weather. Is it all coming to a climax? Will World War III soon be upon us? People are concerned! Rightly so!

Many **serious Bible students** are wondering what the mark of the beast and the number 666 could be, but the majority of professed Christians have probably no clear idea of what it is or may be. The fact is that most people are not concerned or even interested to find out, even though it is one of the most important and most serious end time prophecy in Scripture.

For centuries well-meaning Christians have speculated about the meaning of the "mark of the beast" and the number 666, both of which are discussed in Revelation chapter 13.

What do we mean by the Mark of the Beast?

The mark of the beast denotes a thematic unity in the book of Revelation in the New Testament of the Bible that is being mentioned several times to which a special importance is being attributed. The first mention of the mark is **in connection with the description of a beast**, an eschatological power that tries to force all the inhabitants of the earth to follow certain rules of conduct.

http://de.wikipedia.org/wiki/Malzeichen_des_Tieres

The following warnings are given to those, who receive that mark:

1. They will drink of the wine of the wrath of Elohim, which is poured out without mixture (*Revelation 14, 10*).
2. They will have no rest day and night (*Revelation 14:11*).
3. They will be punished by being cast into a lake of fire (*Revelation 19:20*).
4. Those, however, who have not accepted the mark of the beast, will reign with Jesus one thousand years (*Revelation 20:4*).

http://de.wikipedia.org/wiki/Malzeichen_des_Tieres

Here is what Revelation 13, 16-17 (Jubilee Bible) says: “And he (the beast coming up out of the earth or the ground) caused all, both small and great, rich and poor, free and slaves, to receive a mark in their right hand, or in their foreheads; 17. and that no one might buy or sell, unless he has the mark or the name of the beast or the number of its name.”

Then we have Revelation 14, 9-11 (The Scriptures): „And a third messenger followed them, saying with a loud voice, “If anyone worships the beast and his image, and receives his mark upon his forehead or upon his hand, 10. he also shall drink of the wine of the wrath of Elohim, which is poured out undiluted into the cup of His wrath. And he shall be tortured with fire and Sulphur before the set-apart messengers and before the Lamb. 11. And the smoke of their torture goes up forever and ever. And they have no rest day or night, those worshipping the beast and his image, also if anyone receives the mark of his name.”

Since there are almost no precise details given in Scripture in reference to the mark of the beast, there is much room for speculations and myths.

In any case, the mark of the beast is something **that we should refuse under any circumstance,** no matter what it is or what material benefits it may give us. The whole world will be affected by it. This crisis is in the

..... process to start. All who love Yahuwah Elohim, the Elohim of Abraham, Isaac and Jacob and His Son Yahusha Ha Mashiach, will come under tremendous pressure to take a stand.

Remember, this is about eternal life and eternal damnation!

Although this topic is of paramount importance for every individual living on the planet at this time, few seem to be interested in it. In addition it seems to be one of the most misinterpreted prophecies of the entire Holy Bible. It is our personal responsibility to prove everything in order to find out who the Antichrist and what his mark is, so we can stay away from it.

In the biblical teaching about the end times and the return of the Messiah Yahusha **we encounter obviously a very prominent and very special person, who becomes a world-dominating power and thereby causes tremendous harm**. Scripture describes this “Anti-Messiah” also as a beast coming out of the earth and numerous speculations have grown out of this. One wonders, if this individual or this Antichrist is already among us and who that could be! Anyhow, there are many speculations running around.

Speculations about who “the Antichrist” is have included about every US president and any “evil” world leader. Some believe that the Antichrist will be a pope. To this group belonged Martin Luther. Today, many Christians hold this belief, which are based on misinterpretations of Scripture, the pioneers of various denominations or false prophets.

We should not forget, that there was not just one **but many Antichrists** in the past and at present, as we read in 1. John 2:18 (*The Scriptures*): **„Little children, it is the last hour. And as you have heard that the anti-messiah is coming, even now many anti-messiahs have come. This is how we know that it is the last hour.“**

That plainly states that there have been many antichrists in the past and there must be many antichrists today. But Scripture speaks or mentions a “particular Antichrist at the time of the end!” This antichrist or better said anti-messiah has distinctive features:

1. **“Who is the liar, except the one denying that יהושע (Yahusha) is the Messiah? This is the anti-messiah, the one denying the Father and the Son.”**

(1. John 2:22) – This cannot be said of the pope or Christianity as a whole!
2. **“Every spirit that does not confess that יהושע (Yahusha) Messiah has come in the flesh is not of Elohim. And this is the spirit of the anti-messiah which you heard is coming, and now is already in the world.”**
(1. John 4: 3 and 2. John 1:7) – This also cannot be said of the pope or Christianity as a whole!

Some people believe that the Antichrist was already here, like **Nero, Stalin or Hitler**. Others say the **Antichrist is Prince Charles, Vladimir Putin, der former President and even the current President Barack Hussein Obama!** Some think of Prince **El Hassan bin Talal of Jordan**, others think it is **Tayyip Erdogan, and the list goes on.**

Even though there have been many antichrist contenders who brought incredible sorrow to mankind, the person of whom the Bible speaks, **is yet to appear**. Since many of the announced signs of the coming of Yahusha are visible today, the question arises, is the future Antichrist already among us? Some people think so. **Could the Antichrist be a Muslim, the Islamic Messiah?**

At this point I like to mention, that the problem with Biblical Prophecies is, that we often do not understand them until they are in the process of being fulfilled or are fulfilled.

Nowadays, there are so many different interpretations about biblical prophecies as there are denominations. Everyone seems to have a different opinion, but everyone is convinced that his interpretation is the only correct one and they bitterly defend their point of view.

Also we should not forget that many prophecies have **dual** applications. Some were fulfilled in the past and have another future fulfillment.

Now, what about the Mark of the Beast?

The most common view held today with regard to the mark of the beast of Revelation chapter 13 is that it is a literal physical sign on the forehead or right hand of all who worship the Antichrist.

Many Bible teachers even point to the modern technology of the 21st century and suggest that this mark is some kind of a tattoo or microchip implanted under the skin.

What is the reason that is leading so many people to believe that this mark has to be a physical mark or sign? Every believer will have to agree that the examples given in Revelation like the dragon, the beast, the whore of Babylon and the sealing of the elect are **not a literal dragon, a literal beast or a literal prostitute. Why then should the mark be a literal outward, visible seal** on the forehead or hand? This is obviously a pictorial language that indicates something else. In addition the Scripture does not give us any indication that shows us that this mark is necessarily visible or literal.

When you study the Scripture (*like Exodus 13, 9; Deuteronomy 6, 5-8, 11, 18; James 4, 8 or Psalm 119, 48*), you will discover that the words of YHVH are to be **like** a sign on our hand and **like** a memorial between our eyes. The head or forehead symbolizes our spiritual mind, namely what we believe, what we think and the right hand symbolizes actions, works, what we are doing.

Therefore, the “mark of the beast” is not necessarily something visible on our forehead or hand like a “microchip” or a “tattoo”.

Some believe that the number "666" refers to the title engraved on the papal crown „Vicarius Filii Dei”. This title literally means “in place of the Son of God”. Thus, the titles of the Pope is the exact definition of the term “anti-Messiah”. In addition, the numerical value of the Latin letters „Vicarius Filii Dei” add up to “666”.

V =	5	F =	0	D =	500
I =	1	I =	1	E =	0
C =	100	L =	50	I =	1
A =	0	I =	1		501
R =	0	I =	1		
I =	1		53		
U =	5				
S =	0				
	112				

VICARIUS	112
FILII	53
DEI	501
	666

That all makes sense and is very convincing!

“The Pope has the power to change times, to abolish laws and to dispense with all things, even the law of Christ.”

Decretal De Transalat. Espiscop. Cap.

It undoubtedly speaks here about **an anti-Messiah!**

If we are honest and know the Scripture, we must admit that **the Catholic Church has never had anything in common with the Elohim of Abraham, Isaac and Jacob!** Of course this is also true for most of her protestant daughters!

The papacy has for centuries millions of people slandered, persecuted, tortured and killed. Millions of people were victims of the Catholic Inquisition. It is assumed that up to 10 million people died and countless were tortured, mistreated and terrorized. (*SPIEGEL 1.6.1998*) We all have been taught and believed it, that the papacy represent **the antichrist**. In a sense one can say that of Christianity as a whole. Could it be that the papacy **is only one of the antichrists of the end and someone else is the last antichrist?** Of course it could be that both work hand in hand.

Sunday is the sign of Rome’s authority, which the Catholic Church openly admits. Some believe therefore that the mark of the beast is first

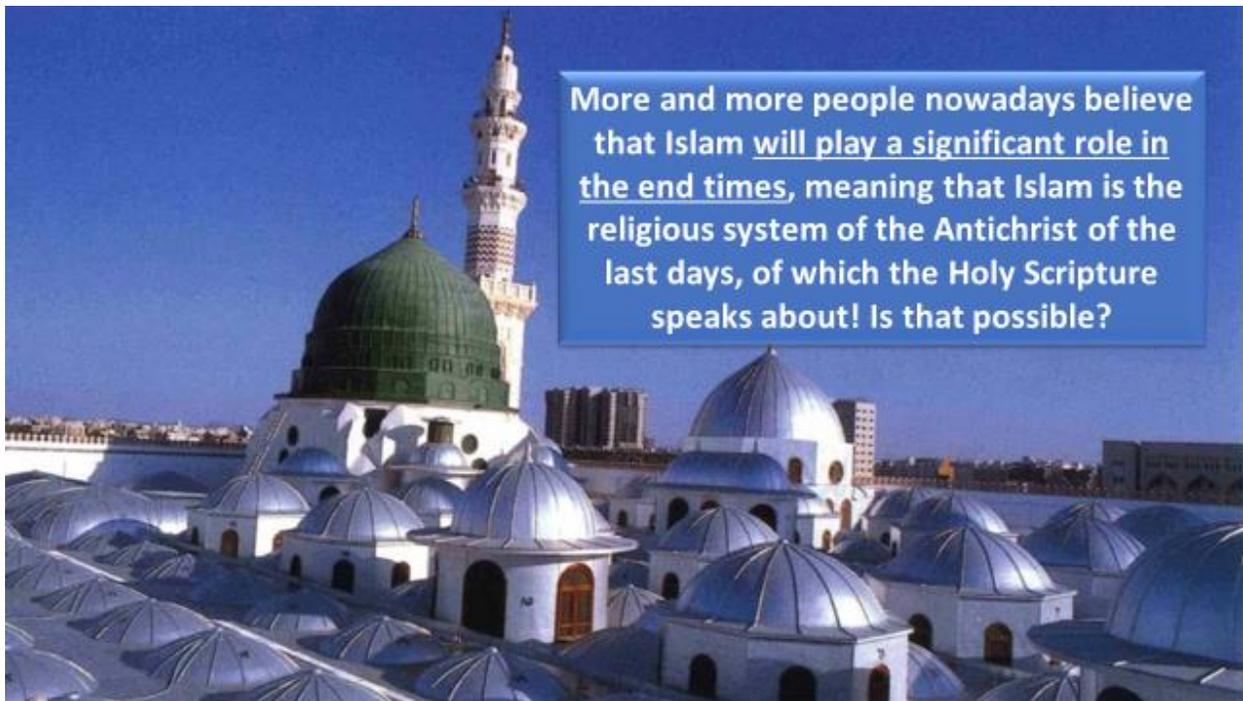

and foremost associated with a pure calendrical coercion. According to their view at some future point the Catholic Church will receive the political power to introduce a mandatory Sunday law. Those who do not comply will not be able to buy or sell and even be killed.

The Bible doesn't teach anything about a National Sunday Law in America or an International Sunday Law around the world.

Talking about an international Sunday law, if that is true, let's ask the question: **What** would trigger the enactment of a national Sunday law in communist countries like China, North Korea, and Russia?

And **what** would cancel Sharia Law and trigger the enactment of Sunday laws in large Islamic populations found in Indonesia, Egypt, Iran, and Saudi Arabia? **What** would trigger a national Sunday law in the Jewish state of Israel where conservatives insist on observing the seventh day of the week? What would cause seven hundred million Hindus in India to worship the Elohim of the Christians on Sunday?

How is the Catholic Church and the United States going to enforce Sunday on billions of devout Muslims, Hindus, Jews, Pagans, and Communists? However, that is the claim some people dogmatic believe, even though it is not biblical, because we do not have a **“Thus saith YHVH”!**

Think about this, Islam is different from all the other religions that do not believe in the Christian Messiah (Jesus), because as I mentioned in the beginning Islam officially declares that Yahusha is not the Son of Elohim (Quran 4:171; 18:4-5), which is the biblical definition of Antichrist!

Islam ruled the second largest empire **in history** that stretched from the Atlantic Ocean to the border of China. Millions of Christians have already suffered and died under Islam's armies of conquest, Christians are still dying today in Egypt, Iraq, Syria, Nigeria, Sudan and many other places. This Ottoman Empire that was wounded after WW I, will come back according to Scripture!

Some claim that Islam is a religion of violence, oppression and evil and quote places in the Quran like Sura 9:5 **"Fight and slay the pagans (infidels) where you find them, and seize them, beleaguer them, and lie in wait for them in every stratagem of war.**

Others claim that Islam is a religion of peace, kindness, mercy, charity, honesty, sincerity, purity of life by quoting Al Quran 16:91 **"Indeed, Allah enjoins justice, and the doing of good to others; and giving like kindred; and forbids indecency, and manifest evil, and wrongful transgression. He admonished you that you may take heed."** *Or Al Quran 16:129* **"Indeed, Allah is with those who are righteous and those who do good."**

"O ye who believe! Fight those of the disbelievers who are near to you, and let them find harshness in you, and know that Allah is with those who keep their duty" Qur'an, Sura 9:123

Unbelievers are described by Muhammad (in the Qur'an) as "the vilest of animals" and "losers." Christians and Jews are hated by Allah to the extent that they are destined for eternal doom as a result of their beliefs. It would make no sense for Muhammad to then recommend them to be taken in as friends by Muslims. In fact, the Qur'an plainly commands believers not to take unbelievers as friends.

I've read that in Germany as an example two-thirds of the citizens fear that type Islam that calls for **the literal observance of the Quran**. Even Muslims living in Germany are afraid of the consequences. Politics, Churches and other spokesmen believe that they could talk the citizens out of this danger. Whoever does not follow their effort, is unfortunately branded as populist, racist, xenophobe and right-wing extremist.

I found a good explanation about Islam under this website:

<http://www.targetofopportunity.com/islam.htm>

Here it is! Something to consider:

Islam has no fundamental concept of Inalienable Rights as mentioned in the Declaration of Independence. Islam does not permit the individual to enjoy the freedoms of action and association characteristic of the Democracy that so many Western cultures currently enjoy today. Islam is a religion in name only because of a reference to "Allah" as their Deity. A well known fact is that Islam is a totalitarian ideology that rejects Democracy, personal freedom, and every other religion. The ideals of anti-Semitism and anti-Western Culture run rampant throughout Islam. The Laws of Man are meaningless and have absolutely no relevance in Muslim culture because they are without any direct reference to the Koran or Sharia Law and therefore they have no place in Muslim life. Islamic law/Sharia Law is completely incompatible with Freedom, Democracy, and Liberty, or any other government where the people have an actual voice in government or the will of the people matters. For example, in Saudi Arabia, a country ruled by Islamic law, sorcery, witchcraft, and blasphemy are all crimes punishable by death... they behead people convicted of these "crimes" in the public square. This is what Islamic law advocates. Saudi Arabia holds to Sharia Law and has a Religious Police to enforce all the aspects of Sharia Law. Christian Bibles are destroyed by the thousands like book burnings in Nazi Germany. This is not a religion of tolerance as so many Muslims claim.

"True Islam permits neither elections nor democracy."

To study more about the Islam, I recommend this website:

It is being said, Islam is a peaceful religion because most Muslims live peacefully and that only a **"tiny minority of extremists"** practice violence! Then why is religious violence largely endemic to Islam, despite the tremendous persecution of religious minorities in Muslim countries?

Think about it, even a tiny minority of "1%" of Muslims worldwide translates to 15 million believers - which is hardly an insignificant number. However, the "minority" of Muslims who approve of terrorists, their goals, or their

means of achieving them is much greater than this. In fact, it isn't even a true minority in some cases, depending on how goals and targets are defined!

Here is a sobering thought: “when Hitler’s rampage was said & done, 6 million Jews were exterminated and approximately 8 million Germans were dead.

Dr. Emanuel Tanya, a well-known and well-respected psychiatrist, whose family was German owned a number of large industries and estates in Germany before WW II. When asked how many German people were true Nazis, he answered: **“Very few people were true Nazis,' he said, 'but many enjoyed the return of German pride, and many more were too busy to care. I was one of those who just thought the Nazis were a bunch of fools. So, the majority just sat back and let it all happen. Then, before we knew it, they owned us, and we had lost control, and the end of the world had come.”**

He goes on saying: 'My family lost everything. I ended up in a concentration camp and the Allies destroyed my factories.'

Could there be a comparison? 'We are told again and again by 'experts' and 'talking heads' that Islam is a religion of peace and that the vast majority of Muslims just want to live in peace. Although this unqualified assertion may

be true, it is entirely irrelevant. It is meaningless fluff meant to make us feel better, and meant to somehow diminish the specter of fanatics rampaging across the globe in the name of Islam.'

'The fact is that the fanatics rule Islam at this moment in history. It is the fanatics who march. It is the fanatics who wage any one of 50 shooting wars worldwide. It is the fanatics who systematically slaughter Christian or tribal groups throughout Africa and are gradually taking over the entire continent in an Islamic wave. It is the fanatics who bomb, behead, murder, or honor-kill. It is the fanatics who take over mosque after mosque. It is the fanatics who zealously spread the stoning and hanging of rape victims and homosexuals. It is the fanatics who teach their young to kill and to become suicide bombers.'

'The hard, quantifiable fact is that the peaceful majority, the 'silent majority,' is cowed and extraneous. **Communist Russia** was comprised of Russians who just wanted to live in peace, yet the Russian Communists were responsible for the murder of about 20 million people. The peaceful majority were irrelevant. **China's huge population** was peaceful as well, but Chinese Communists managed to kill a staggering 70 million people.' **'The average Japanese individual** prior to World War II was not a warmongering sadist. Yet, Japan murdered and slaughtered its way across South East Asia in an orgy of killing that included the systematic murder of 12 million Chinese civilians; most killed by sword, shovel, and bayonet. And who can forget **Rwanda** , which collapsed into butchery? Could it not be said that the majority of Rwandans were 'peace loving'?

'History lessons are often incredibly simple and blunt, yet for all our powers of reason, we often miss the most basic and uncomplicated of points: peace-loving Muslims have been made irrelevant by their silence. Peace-loving Muslims will become our enemy if they don't speak up, because like my friend from Germany, they will awaken one day and find that the fanatics own them, and the end of their world will have begun.'

'Peace-loving Germans, Japanese, Chinese, Russians, Rwandans, Serbs, Afghans, Iraqis, Palestinians, Somalis, Nigerians, Algerians, and many others have died because the peaceful majority did not speak up until it was too late.'

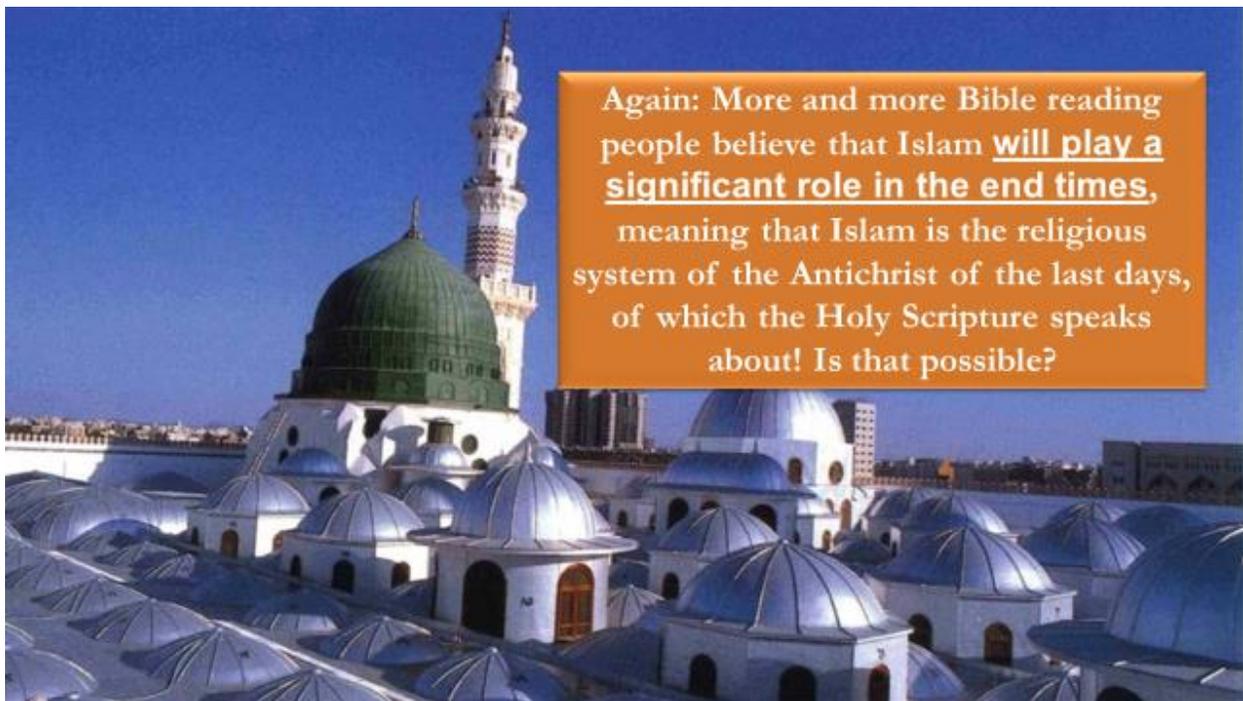

Now Islamic prayers have been introduced in Toronto and other public schools in Ontario, and, yes, in Ottawa, too, while the Lord's Prayer was removed (due to being so offensive?). The Islamic way may be peaceful for the time being in our country until the fanatics move in.'

'In Australia, and indeed in many countries around the world, many of the most commonly consumed food items have the halal emblem on them. Just

look at the back of some of the most popular chocolate bars, and at other food items in your local supermarket. Food on aircraft have the **halal** emblem to appease the privileged minority who are now rapidly expanding within the nation's shores.'

'In the U.K, the Muslim communities refuse to integrate and there are now dozens of "no-go" zones within major cities across the country that the police force dare not intrude upon. Sharia law prevails there, because the Muslim community in those areas refuse to acknowledge British law.'

'As for us who watch it all unfold, we must pay attention to the only group that counts - the fanatics who threaten our way of life, those who literally interpret and follow Quran and want Sharia law to be installed.'

If that is the case and the Islam plays an important role in the end times, wouldn't the mark of the beast be directly related to Islam? Just a question!

Let's look at it more closely, because it could be something that we didn't know and our churches do not tell as, as they probably don't know!

In the book of revelation John was told to write everything down what he saw, which he did. He copied exactly what he saw. He said that people will be wearing "666" on their forehead and on their right arm. Remember the book

Revelation was written before the rise of the Islamic religion of Mohammad. Mohammad lived from 570 AD to 632 AD. **What exactly did John see?**

This is what he saw
(the line under AD 350 is part of the Bismillah symbol).

Therefore, more students of Scripture believe now that the mark or sign of the Antichrist (Anti-Messiah) is to be found in Islam!

The Sigma and Xi (*1st and 2nd character from right*) **make the phrase „Bismillah“, and that literally means:**

„IN THE NAME OF ALLAH“.

Simon Altaf and Walid Shoebat, both of which are now Christians and formerly were terrorists saw at different times and in different places the manuscript „**Codex Vaticanus**“ from the year 350 AD.

They both said at once that this is the Arabic word **“Bismillah”** when they saw this symbol for “666” by John in the book of Revelation. Other Arab

Christians also confirmed that the symbol on the photo of the manuscript “**Bismillah**” means “**in the name of Allah**”. Literally translated it means: „**In the Name of Elohim, most gracious, most compassionate.**”

Here again are two pictures of that symbol! The bottom is from a Codex “a Bible translation” translated in the Bible as 666! Rotate what John wrote 90 degrees and you get the one on top, the Islamic symbol of Bismillah!

Could the mark of the beast be the Islamic name for “Bismillah” ?

These three letters also add up to the number of 666

Here are various art forms in which the phrase „Bismillah“ is written. These I received from this website: <http://www.islam101.com/art/bismillah.html>

And in comparison: Ξξ Σς Xi Sigma

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ

Translated it says: „In the name of God, most gracious, most compassionate“. I personally can not verify that as I don't speak Arabic. However, this can be verified on the internet.

Here are some of the armbands and headbands worn by Muslims with these inscriptions as can be seen in the news!

Therefore what John saw was something that **looked like** the „Chi – Xi – Sigma“, which means “many” or **multitude** belonging to the beast that wear a sign on their forehead and/or on their right arm looking like the „Chi – Xi – Sigma“.

The Greek word for „number“ could also mean a „multitude“, a “flock“ or a „crowd“. „Many, multitude or crowd“ makes more sense in this case, since the same Greek word is also used for “a great multitude of Saints“, that stand before the throne of Elohim.

It is also interesting that the word „Sigma“ in English is called „Stigma“, which reminds us immediately of “stigmatize” or to “brand”.

Here again is the verse 18 in Revelation chapter 13 (KJV): “**Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. .**“

If we read this verse again but insert “Bismillah” instead of “666” respectively „Chi-Xi-Sigma“, then we have the following:

„Here is wisdom! He that has understanding, decipher the multitude belonging to the beast, because it is the number of the people and at the same time the number of a man, and his number means in the name of Allah.“

Here is something to think about:

The Al-Aqsa Mosque, Dom of the Rock, is considered the third holiest site in Islam. For Muslims, it is the place from which Mohammad apparently went to heaven. The picture reminds the Muslims of the national and religious goals of Hamas, and even the Palestinian flag shows the Islamic creed. The two crossed swords call for the jihad, the holy war and represents the devotion to this violent struggle. At the same time they also reflect the emblem of the Muslim Brotherhood. The map of Israel and the surrounding areas serve as a symbol that represents the desire of Hamas to reign over all Israel.

Shouldn't we as so-called unbelievers be able to ask the following questions without being labelled as hostile toward Islam?

Is Islam really the terrible beast described in Revelation chapter 17 and is Mohammed the mentioned prophet?

Is the mark of the beast the hellish Arabic phrase worn by the jihadists on their forehead and/or their right arm "in the name of Allah?" Or are all these inventions or illusions?

What do Muslims actually believe? "There is no Elohim by Allah...."

Muslims believe in Allah, the only Elohim, the Eternal, Almighty, merciful and gracious creator of heaven and earth and in the mission of the Prophet Muhammad. They also believe that every man will have to give an account for his faith and his actions before Elohim. **Every Muslim, man and woman must follow the five pillars of Islam from puberty, if he or she wants to enter Paradise.**

The five pillars of Islam

1. Shahadah, profession of faith, is **the first pillar** of Islam. "There is no Elohim but Allah and Muhammad is his Messenger."
2. Salah, prayer, is **the second pillar**. The Islamic faith is based on the belief that individuals have a direct relationship with Elohim.

3. Zakat, almsgiving, is the third pillar. It is equal to 2.5 percent of an individual's total net worth, excluding obligations and family expenses.
4. Sawm, fasting during the holy month of Ramadan, is the fourth pillar of Islam.
5. Hajj, the pilgrimage to Mecca, is the fifth pillar and the most significant manifestation of Islamic faith and unity in the world.

<http://www.ead.de/gebet/30-tage-gebet/der-islam/was-glauben-muslime.html>

The religious education of Muslims teaches that the Christian Bible and the Jewish Torah are corrupt and therefore all Christians and Jews are lost and condemned unless they convert to Islam.

The Muslims also believe that the Islam will very soon not only dominate the State of Israel but the entire world. That is their final goal. Unbelievers are their enemies. They tell the infidels of the West with this poster: We will fight every infidel to death. And they mean every word, because it is being taught to them from the cradle!

ISLAM WILL DOMINATE THE WORLD

اللَّهُ أَكْبَرُ

The Islamization of the whole world is promised them in the Quran.

Here is a discouraging but still interesting short article from the Catholic Knight. It states:

The clash of civilizations is as good as over. The winner? ISLAM! Yes, that's right, as a practicing Roman Catholic, defender of the Church and Christendom, I must admit that Islam has won. It won before the clash of civilizations ever really started. It won long before 9/11/2001. It won not by making war, but simply by making babies. Christianity lost, not because of Christianity, but because Christians gave up their Christianity, and exchanged it for the seductive Secularism that swept Western Europe and North America after World War II. Christians in effect ceased to be Christians

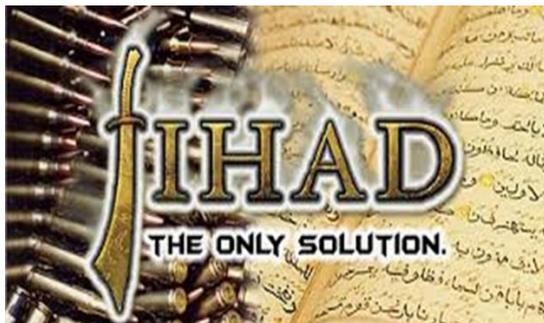

in the classic sense. They exchanged the Christian understanding of love and family for a secular one, and as a result embraced the culture of contraception and limited families. Christians ceased having babies at a sustainable rate, and Muslims did not. It's official now. Islam WILL ABSOLUTELY, and WITHOUT A DOUBT, completely conquer the whole western industrialized world by 2050. The children born today will not only live to see it, but they will be part of it, and there is a very good chance they themselves will be forced by popular culture to accept the religion of Islam as their own.

<http://catholicknight.blogspot.com/2009/05/christianity-now-imploding-islam-to.html>

How does Islam as a “religion of peace” plan to dominate Israel and the rest of the world besides multiplying? **Only through a holy war, called Jihad!** The testimony from their prophetic tradition shows a clear approach of how this is being accomplished:

Bukhari V4 B52 N196, reported the following by Abu Huraira: **Allah's Prophet stated: „I have been commanded to fight people until they say: “There is no Elohim but Allah:”**

For Islam, Military conquests are no subjugation but liberation from false beliefs. After their enemies, the infidels are defeated, they will “voluntarily” and gladly embrace the Islam.

It is the duty of every Muslim to fight for the cause of Allah. The fact is that in Islam the only way, the only guarantee to enter into paradise is to participate in the holy war, called “jihad” and to die for the cause of Allah.

There can be no question that Islam already plays an important role and will continue to play a greater role in the end times. **Many signs seem to indicate this, even if it triggers by some frowning and shaking of heads, meaning unbelief.**

This also means that the mark of the beast is directly related with it and that this mark is already here! Here is wisdom!

When Yahuwah Elohim gave John the book of Revelation, he exposed simultaneously Satan’s grand plan to deceive the world. His plans were

uncovered. Yahuwah's children are not ignorant! Satan was able to deceive at least 1,5 billion Muslims instead of recognizing the Anti-Messiah, to regard him as their savior. The Islam became a world religion, which receives the false Messiah with open arms. **Who would have expected that the in the Bible predicted Antichrist would be literally transformed in the coming savior of Islam, while the true Savior Yahuwa Ha Mashiach is transformed into the worst enemy of man. Don't forget, it is Satan that has done this!**

Allah is NOT YHVH (Yahuwah)! Whoever equates Allah with the true Elohim Yahuwah, violates the First Commandment: "I am יהוה (YHVH) your Elohim, who brought you out of the land of Mitsrayim (Egypt), out of the house of slavery. 3. You have no other mighty ones against My face." Exodus 10, 2-3 (The Scriptures)

Every Muslim in his five daily prayers rejects the true Elohim YHVH, because he states: „There is no Elohim but Allah. And Mohammed is his prophet." John says in 1. John 2, 22 (The Scriptures): "Who is the liar, except the one denying that יהושע (Yahuwa) is the Messiah? This is the anti-messiah, the one denying the Father and the Son. "

According to the Holy Scriptures and the Torah **"Allah is absolutely without question a false god and Islam is a pagan religion."** Allah has as little with the God of Abraham, Isaac and Jacob to do as the light with darkness.

"And this is everlasting life, that they should know You, the only true Elohim, and יהושע Messiah whom You have sent." John 17:3 (The Scriptures)

"And you shall know today, and shall recall to your heart that יהוה Himself is Elohim in the heavens above and on the earth beneath; there is none else."
Deuteronomy 4:39

Yahuwa is not just another prophet as Islam claims, but He is **"the Way, the truth and the life"** John 14:6

“He is the Aleph and Tav“. *Rev 1:8*

“He is the king of kings and the Master of masters.“ *Revelation 17:14*

“He is the Judge of the world“. *2. Tim 4:1*

“He is the lion of the tribe of Judah.“ *Rev 5:5*

“He is the Son of YHVH!“ *1. Joh 1:2*

“He is the mighty Elohim, The everlasting Father, The Prince of Peace.”

Is

9:6

“He is the captain of our salvation!” *Hebrews 2:10* „**He is the first begotten of the dead, and the prince of the kings of the earth!“** *Revelation 1:5*

Here are the words of Yahusha in John 10:27-30: **“My sheep hear My voice, and I know them, and they follow Me. 28. And I give them everlasting life, and they shall by no means ever perish, and no one shall snatch them out of My hand. 29. My Father, who has given them to Me, is greater than all. And no one is able to snatch them out of My Father’s hand. 30. I and My Father are one.“** *(The Scriptures)*

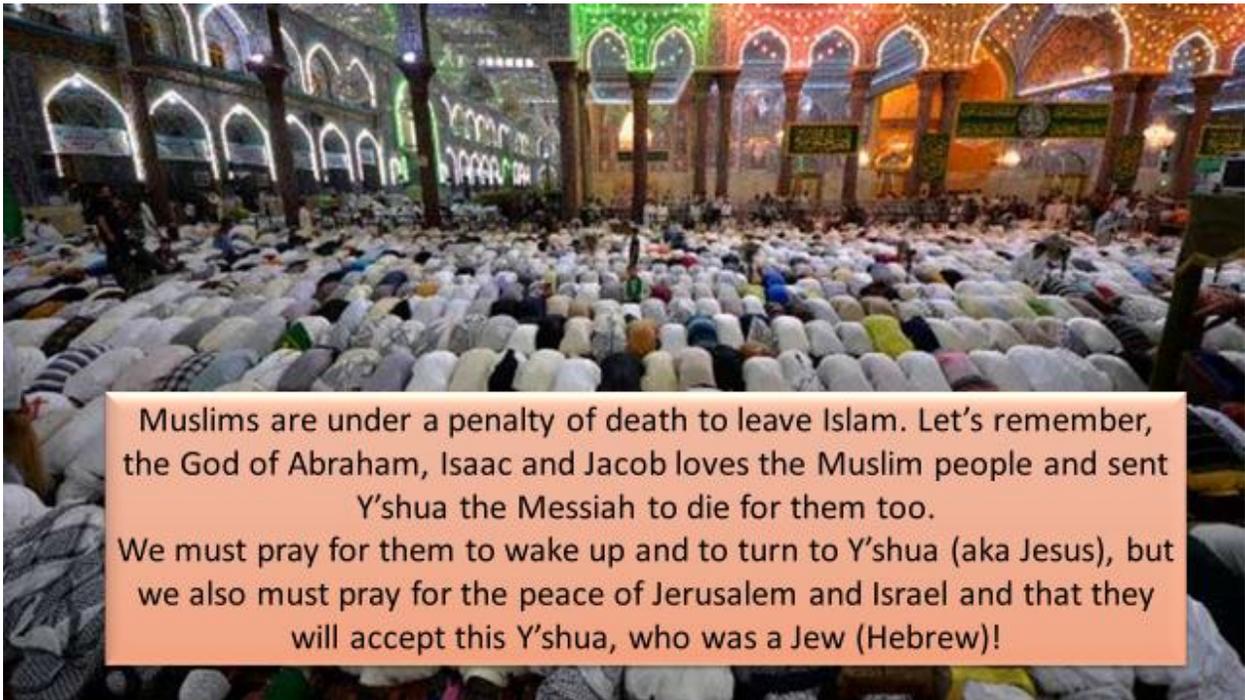

If we are followers of Yahuwah and Yahusha, we don’t need to fear. As long as we are sealed, keep his covenant, we are safe in his hands.

The seal of YHVH is the Torah according to Deuteronomy 6:4-9 including the weekly and the yearly Sabbath days *(Exodus 31, 13; 13:9 and Ezekiel 20:20).*

There is absolutely no question that we are living in a very critical time. The future of many nations are hanging in the balance. However, this is not the time to be fearful, on the contrary, we should cling more and more to our Heavenly Father YHVH Elohim and Yahusha Ha Mashiach and lift up our heads, because our redemption is drawing near.

Let's be reminded that YHVH Elohim, the Elohim of Abraham, Isaac and Jacob is still in control and will be till the end of time.
Luke 12:32 (Jubilee Bible) „Fear not, little flock, for it is your Father's good pleasure to give you the kingdom.“

Muslims are under a penalty of death to leave Islam. Let's remember, the God of Abraham, Isaac and Jacob loves the Muslim people and sent Y'shua the Messiah to die for them too.
We must pray for them to wake up and to turn to Y'shua (aka Jesus), but we also must pray for the peace of Jerusalem and Israel and that they will accept this Y'shua, who was a Jew (Hebrew)!
