

Directions

- Step 1: Print out the cards and the answer sheet.
- Step 2. Lay them out on the floor, tape them to the wall, or place them on a table.
- Step 3 : Start at any card. Write the card letter in the circle on the answer sheet. Put any work and the answer in the box. Your answer will lead you to the next card.
- Step 4: Continue around to each card as the answers lead you. If you make it back to the original card, you answered all the questions correctly!

A

PREVIOUS
ANSWER:

1,000

Round the number to the
nearest thousand:

23,492
