# Combine Sentences

The universe began  
suddenly

Everything started to  
expand

Handwriting practice lines consisting of ten sets of three horizontal lines (top solid, middle dashed, bottom solid).

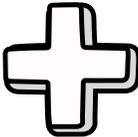

# Combine Sentences

Stars formed slowly  They began to shine

Handwriting practice lines consisting of ten sets of three horizontal lines (top solid, middle dashed, bottom solid).

# Combine Sentences

Our solar system  
formed

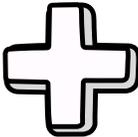

Planets orbited the  
Sun

Handwriting practice lines consisting of 10 sets of three horizontal lines (top solid, middle dashed, bottom solid).

# Combine Sentences

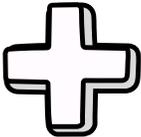

Gravity pulls objects  
together

Planets stay in motion

Handwriting practice lines consisting of 10 sets of three horizontal lines (top solid, middle dashed, bottom solid).

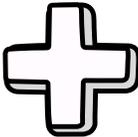

# Combine Sentences

Earth formed from hot rock  Earth slowly cooled

Handwriting practice lines consisting of 10 sets of three horizontal lines (top solid, middle dashed, bottom solid).

# Combine Sentences

Rocks change over  
time

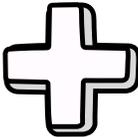

The rock cycle never  
ends

Handwriting practice lines consisting of 10 sets of three horizontal lines (top solid, middle dashed, bottom solid).

# Combine Sentences

Earth's plates move  
slowly

They shape the land

Handwriting practice lines consisting of ten sets of three horizontal lines (top solid, middle dashed, bottom solid) for writing the combined sentence.

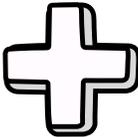

# Combine Sentences

Water moves through Earth  It changes form

Handwriting practice lines consisting of 10 sets of three horizontal lines (top solid, middle dashed, bottom solid).

# Combine Sentences

Living things share  
traits

They interact with  
their environment

Handwriting practice lines consisting of ten sets of three horizontal lines (top solid, middle dashed, bottom solid).

# Combine Sentences

The first life lived in  
water

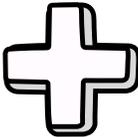

It was very small

Handwriting practice lines consisting of 10 sets of three horizontal lines (top solid, middle dashed, bottom solid).

# Combine Sentences

Oxygen entered the atmosphere

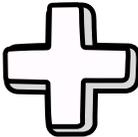

Life on Earth changed

Handwriting practice lines consisting of 10 sets of three horizontal lines (top solid, middle dashed, bottom solid).

# Combine Sentences

Cells became more complex

They protected their DNA

Handwriting practice lines consisting of 10 sets of three horizontal lines (top solid, middle dashed, bottom solid).

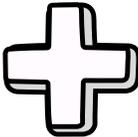

# Combine Sentences

Cells worked together  Multicellular life appeared

Handwriting practice lines consisting of 10 sets of three horizontal lines (top solid, middle dashed, bottom solid).

# Combine Sentences

Many new animals  
evolved

Life became more  
diverse

Handwriting practice lines consisting of 10 sets of three horizontal lines (top solid, middle dashed, bottom solid).
