

Week Four

Gravity

GRAVITY

Gravity helped pull together stars, planets, and galaxies so they could form.

GRAVITY

Draw what you learned about gravity!

Gravity helped pull together stars, planets, and galaxies so they could form.

Prepositions & Gravity

Read each sentence and find the prepositions

1. The planets orbit around the Sun.
2. The Moon stays near Earth.
3. Gravity pulls things toward Earth.
4. The Sun is in the center of the solar system.
5. Objects fall to the ground.

Prepositions & Gravity

Add the missing prepositions

1. Gravity pulls objects _____ Earth.
2. The Moon orbits _____ the Earth.
3. We live _____ the planet Earth.
4. The Sun is _____ the center of the
solar system.
5. A satellite floats _____ the clouds.

in on under around
to near above

Draw the Moon
orbiting **around** Earth.

Draw something
falling **to** the ground.

Draw planets **in** space.

Because, But, So

Sentence Expansion

Gravity pulls because.

Gravity pulls but

Gravity pulls so

Sentence Expansion

Gravity pulled

How	
Why	
What	

Summary Sentence

Four sets of primary writing lines, each consisting of a solid top line, a dashed middle line, and a solid bottom line.

Fix the Fragment

between objects in space

A series of 10 sets of handwriting lines for a tracing exercise. Each set consists of a solid top line, a dashed middle line, and a solid bottom line. The lines are evenly spaced and extend across the width of the page.

Write an Appositive

Gravity, _____, pulls objects
toward each other

The invisible force, _____, is
called gravity

Gravity, _____, affects all
matter in space

Correct the Sentences

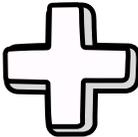

gravity pull objects toward each
other fast

gravity pull planets and moons
around sun fast

gravity effect all matter in space
fast

Combine Sentences

Gravity pulls objects
together

Planets stay in motion

Handwriting practice lines consisting of 10 sets of three horizontal lines (top solid, middle dashed, bottom solid).

Gravity

Statement: ends with a (.)

Handwriting practice lines for the statement section, consisting of four sets of three horizontal lines (top solid, middle dashed, bottom solid).

Question: ends with a ?

Handwriting practice lines for the question section, consisting of four sets of three horizontal lines (top solid, middle dashed, bottom solid).

Command ends with a (.)

Cut the words.

objects

gravity

together

pulls

motion

keeps

Paste the words in the correct order.

--	--	--	--	--	--

Write the sentence.

Writing Details

Topic Sentence	Gravity pulls objects together and keeps planets in orbit
-----------------------	-----------------------------------------------------------

Detail 1	
-----------------	--

Detail 2	
-----------------	--

Detail 3	
-----------------	--

Detail 4	
-----------------	--

Topic Sentence

Use the details to write a topic sentence.

Topic Sentence	
-----------------------	--

Detail 1	Planets orbit stars due to gravity
-----------------	------------------------------------

Detail 2	Gravity affects tides
-----------------	-----------------------

Detail 3	Gravity pulls objects downward
-----------------	--------------------------------

Detail 4	All matter is affected by gravity
-----------------	-----------------------------------

Odd One Out

Find the detail that doesn't go with the topic sentence.

Topic Sentence	Gravity pulls objects together and keeps planets in orbit
Detail 1	Planets orbit stars due to gravity
Detail 2	I think gravity effects the tides.
Detail 3	All matter is effected by gravity.
Detail 4	Gravity pulls objects downward

Gravity

Trace & Write

Gravity keeps planets

turning around the

Sun

Handwriting practice lines consisting of a solid top line, a dashed middle line, and a solid bottom line. There are five sets of these lines provided for independent writing practice.

Copywork

Gravity keeps planets turning around the Sun

Handwriting practice lines consisting of solid top and bottom lines with a dashed midline for letter height guidance. There are ten sets of these lines provided for copying the text above.

Copywork

Invisible forces pull everything together, keeping the planets, moons, and stars moving in perfect harmony

Handwriting practice lines consisting of solid top and bottom lines with a dashed midline, repeated multiple times for copying the text above.
