My Moon Sign - Emotional Life

WAYS TO WORK WITH CAPRICORN

Capricorn is often associated with the following characteristics: ambitious, disciplined, practical, determined, materialistic and strong.

Consider the following prompts and use the next page to write your answers.

- Capricorns love goals. Write your short-term and long-term goals. Where do you see yourself in the next month, next year, next 5 years, and next 10 years?
- Ambition can sometimes make it hard for you to relax. How can you achieve a better balance between your work and relaxation? What activities can you incorporate into your routine to help you unwind?
- Discuss the role discipline plays in your life. How has it helped you achieve your goals? Are there any areas in your life where you need to exercise more discipline?
- Patience is often a super power for Capricorns. Reflect on how patience has played a role in your personal and professional life. Are there areas where you can practice more patience?
- Success is often important to Capricorns. What does success mean to you? How do your definitions of success align with or diverge from societal standards?
- Reflect on your personal achievements. What are you most proud of and why? How did these accomplishments shape you as a person?

WAYS TO WORK WITH AQUARIUS

Aquarius is often associated with the following characteristics: forward-thinking, innovative, humanitarian, independent, and sometimes unpredictable.

- Aquarius is the sign of the water bearer – a symbol of providing life and spiritual support to the world. How do you feel you contribute to the world in a spiritual or metaphysical sense?
- Write about a cause you deeply care about. How can you contribute to it in a more meaningful way? What social issues are you most passionate about? Why do they matter to you?
- What is one radical idea or dream you have that you've been afraid to pursue? Why? What does the future look like in your ideal world? Be as creative and specific as possible.
- Aquarians are known for their individuality. When do you feel most authentically yourself? Are there areas in your life where you tamp down on your individuality and need to express it more? How would you like to express your individuality?
- Write about a time when you felt different or misunderstood. How did it make you feel, and how did you handle the situation?
- Aquarians are known for being innovative. Jot down 10 “crazy” ideas you've had recently – they could be anything from inventions to ways of improving your daily life.

WAYS TO WORK WITH PISCES

Pisces is often associated with the following characteristics: Empathetic, compassionate, spiritual, intuitive, sensitive, faith and beauty.

- Pisces often have vivid and prophetic dreams. Start journaling about the dreams you can remember. What do they tell you about your subconscious desires and fears?
- Pisces are spiritual beings. Reflect on your spiritual journey so far. What are your beliefs and how have they shaped you?
- Pisces are known for their strong intuition. Write about a time when your intuition was spot on. How does your intuition speak to you?
- Write about what inner peace means to you and how you are trying to achieve it.
- As a water sign, you often go with the flow. Write about a situation where you had to navigate through uncertainty and how you handled it.
- Pisces tend to give a lot to others and can neglect their own needs. Write a list of self-care activities that you love and make a commitment to do one each day.

WAYS TO WORK WITH ARIES

Aries is often associated with the following characteristics: independence, courage, leadership, and enthusiasm.

- Reflect on a time when you have taken the lead. How did you feel in that role? What did you learn from that experience? Are there areas of your life where you need to take more of a leadership role?
- Aries can be impatient. Are there areas in your life where you need to be more patient right now? What strategies could you use to manage it better?
- How do you define independence? Are there areas of your life where you need more independence? Are there actions you could take to feel more independent?
- Write about something you're passionate about and how you could integrate it more into your daily life?
- Aries likes a good challenge. Write down some bold goals you'd like to achieve in the next year. How will you approach them?
- Are there areas of your life where you need to be more assertive right now?

WAYS TO WORK WITH TAURUS

Taurus, is often associated with the following characteristics: values, senses, pleasure, luxury, persistence, staying in the comfort zone, stubbornness, dependability and ambition.

- Reflect on your own material possessions and explain why they are important to you. What value do they bring to your life? Is there an opportunity for balance between the material and spiritual?
- Taurus finds it hard to change their opinions or habits. Write about a time where this stubbornness benefitted you in a healthy way and a time when it did not.
- Write about a time when your persistence and determination helped you achieve a goal. How did you stay motivated? How can you apply this to your current goals?
- What does your comfort zone look like and how has it served you in the past? Is there anything outside your comfort zone that you'd like to explore?
- Describe the perfect day filled with sensory pleasure - from the taste of your meals, to the feel of your clothing, to the beauty of your space.
- Taurus is an Earth sign and they often love nature and the outdoors. What is your favorite natural setting and why? How does spending time in nature impact you?
