

THE CHECKLIST

**Is it Alive?**

- Grows**
- Uses Energy**
- Reproduces**
- Made of Cells**
- Responds to Environment**

**Alive**       **Not Alive**

**MY TRICKIEST OBJECT**

Which object was hardest to decide? Draw it and write why it was tricky.

*Write or draw here*

**I LEARNED THAT**

Living things must \_\_\_\_\_, use energy, reproduce, be made of \_\_\_\_\_,  
and respond to their environment.
