

Lesson 14: The Cambrian Explosion

Make a list of creatures that would fossilize well and which wouldn't. Add an explanation on why or why not.

Would Fossilize Well

Would Not Fossilize Well

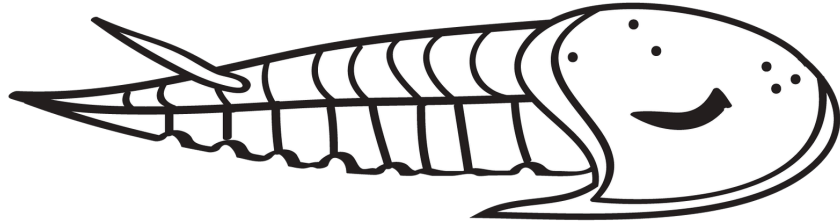

| Would Fossilize Well | Would Not Fossilize Well |
|----------------------|--------------------------|
| | |

Lesson 14: The Cambrian Explosion

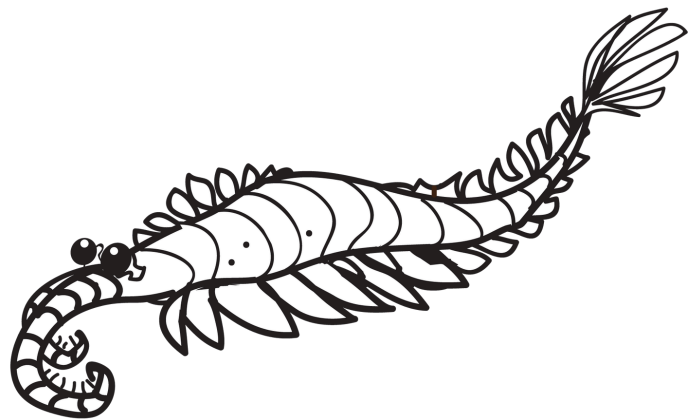

Write some key words or facts about what made each of these Cambrian species unique.

Redlichia

Trilobite

Anomalocaris

Opabinia
