

# Lesson 2

## Sentence Combining

Combine these two sentences into one sentence

An inference is an educated guess.

An inference is based on evidence.

---

---

---

## Sentence Expansion

Expand the sentence using the word.

*Archaeologists returned artifacts.*

Where? \_\_\_\_\_

Why? \_\_\_\_\_

Expanded Sentence

---

---

---

## Find All the Nouns

Read the paragraph below. Find and circle all of the nouns. (Hint: Look for people, places, things, or ideas!)

The archaeologist carefully brushed the dirt off the ancient pottery. She knew this artifact held a hidden story about a great civilization. Her team wanted to return the treasure to its home country, but the local museum argued that the global public deserved to see the history.
